Studielink

Studielink allows you to independently arrange your enrolment and or re-enrolment at your institution of higher education online.

- Only for Bachelor and Master degrees
- Exchange students apply via their host institution

The screenshot shows the Studielink login page. At the top, it says "Welcome to Studielink" with a small flag icon. Below that, there is a paragraph explaining that users can enrol in a study programme at an institution of higher education via Studielink, and that additional admission requirements may apply. A link is provided to read relevant information on the educational institution's website. There is a "Login with DigiD" section with a "PLEASE NOTE" box stating to always use one's own DigiD. Below this, there are two columns: "I live in the Netherlands" and "I do not live in the Netherlands". The first column explains that users registered in a Dutch municipality must use DigiD, with a "Log in with DigiD" button and a link to "Request DigiD username". The second column explains that users not living in the Netherlands must use a Studielink username and password, with a "Log in via Studielink" button and a link to "Apply for username and password". At the bottom, there are three links: "I have a question", "Go to mobile version", and "More about Studielink".

Welcome to Studielink

You can enrol in a study programme at an institution of higher education via Studielink. Additional admission requirements may apply to a study programme. Read the relevant information [on the educational institution's website](#) before submitting an enrolment application via Studielink.

Login with DigiD
PLEASE NOTE: always use your own DigiD and never the DigiD of someone else.

I live in the Netherlands
If you officially live in the Netherlands (you are registered in a Dutch municipality) you are required to use DigiD to log in to Studielink.

I do not live in the Netherlands
If you do not, or do not yet, live in the Netherlands, then you cannot use DigiD and you are required to log in with a Studielink username and password.
